Unlimited FastPass Plan

Terms & Conditions

- Unlimited FastPass plan membership allows an unlimited number of washes for the registered vehicle for a one month period following the activation / recharge date of the plan.
- Plan membership requires installation of a RFID FastPass windshield tag on the registered vehicle's inside, lower, driver side corner.
- Plan membership is purchased with a credit or debit card. The monthly rate for the first month is charged to the member's card at the time of purchase (the activation date of the plan). The monthly rate is then automatically charged to the same card on the same date each month (the recharge date of the plan), or until the plan is cancelled or terminated.
- Members must contact any of the Zippy Auto Wash offices to update their account when relevant information changes (credit card, telephone, email).
- Members must contact any of the Zippy Auto Wash offices if registered vehicle's tag is damaged or windshield is replaced. Tag will be deactivated and new tag issued.
- If a member wishes to cancel their plan, an electronic cancellation request must be completed via the Zippy Auto Wash mobile app or the Zippy Auto Wash website portal prior to the member's recharge date; cancellation is complete when the member receives an electronic cancellation confirmation. Alternatively, an in person cancellation request may be completed at any of the Zippy Auto Wash offices. A cancellation request may not be completed via phone, voicemail, or any other form of messaging service.
- If Zippy Auto Wash is unable to process a monthly recharge to a member's credit or debit card, the plan will be deactivated within five days. Zippy Auto Wash will attempt to contact the member to resolve the issue.
- If a tag is tampered with, or the plan is used in any way inconsistent with its terms and conditions, then the plan will be immediately terminated and all monies will be forfeited.
- If a tag is dishonestly used on any vehicle other than the registered vehicle, then the plan will be immediately terminated, all monies will be forfeited, and the full retail rate of said washes will be charged to the customer's credit or debit card.
- Tags remain the property of Zippy Auto Wash and must be surrendered upon request.
- No refund or credit is given for any unused portion of a plan due to cancellation or termination.
- The plan may not be combined with any other coupon or offer.
- Rates, terms and conditions are subject to change.
- In the event that plan rates change, the new rates will be posted on site thirty days prior to effect, and will then be effective on the member's next monthly recharge.
- Zippy Auto Wash plans to close on Easter, Thanksgiving, and Christmas days, and may also close for equipment upgrades or inclement weather.
